

Workshops by Judy Tipton Rush

Title:                   **TECHNIQUES 1 CLASS**

Full Day Class

Description:           So you want to find some new and interesting ways to add some excitement to your quilted expressions? Well, COME ON DOWN!

We will do some rag texturing, use painted interfacing, learn how to machine appliqué (Judy's way), and then, if time permits, talk about and experiment with some "secret" techniques.

Class Limit:           15 students

Supplies:              Sewing machine and *instruction book*.

Regular and *darning foot* (or whatever makes your machine capable of "free motion").

Many colored threads and smoke colored invisible thread.

Machiner gloves or any glove or finger tips that will help you do free motion work.

Size 90/14 or 90/12 embroidery machine needles.

Supply Fee:           A kit for the class will be provided at a cost of \$12 (includes all fabrics, interfacing and pattern).
